### **Michigan NOW Supports HB 4131 That Would Allow Two Unmarried Parents to Jointly Adopt a Child**

Michigan NOW commends Representative Alma Wheeler Smith and co-sponsors Rebekah Warren, Fred Miller and Pam Byrnes for introducing House Bill 4131 that would allow for two unmarried persons to jointly adopt a child.

We applaud the Judiciary Committee and Chair Mark Meadows for recognizing that this legislation is about the best interest of *children*. We join other organizations that support providing more loving homes for children by expanding the pool of adoptive parents. This bill provides an opportunity for more children to benefit from the financial, legal, and emotional security of having two parents. It also ensures that both parents are financially responsible for their children in the event of death or separation of the parents.

House Bill 4131 will create more two-parent adoptive homes for children. In Michigan, nearly 80% of those who enter foster care at age 12 or older will leave the system without returning to their original homes and without being adopted (U.S. Children's Bureau, 2005). Research shows these children have high rates of homelessness, poverty, substance abuse and early pregnancy.

House Bill 4131 will save Michigan taxpayers money. This legislation will help ease the burden on the state during these times of diminishing revenue and economic hardship. Allowing two unmarried parents to adopt jointly would expand the number of permanent homes available, decreasing the cost to the state and the number of children waiting to be adopted.

Again, we thank Representatives Alma Wheeler Smith and Mark Meadows and urge the House Judiciary Committee to refer HB 4131.

The National Organization for Women is the largest organization of feminist activists in the United States. NOW has 500,000 contributing members and 550 chapters in all 50 states and the District of Columbia.
